

Sarvesh S.

Computer Science Student & Aspiring Full-Stack Developer

📞 7010930971 ✉ sarveshsnns3434@gmail.com 📍 Tiruppur, Tamil Nadu, India 🔗 LinkedIn 💻 GitHub

SUMMARY

Third-year B.Tech Computer Science and Engineering student, specializing in Software Engineering, with a strong interest in web development. Enjoys turning ideas into real-world projects and is building a foundation in full-stack development through hands-on personal projects.

EDUCATION

B.Tech in Computer Science and Engineering (Software Engineering)

2024 – 2028

Vellore Institute of Technology, Amaravati | Currently in 3rd Year

PROJECTS

Bully Mirror

A web platform that helps users identify whether they are directly or indirectly involved in bullying and understand where they stand. Promotes self-awareness while providing resources, support, and a safe space to share experiences and seek help. Includes an interactive quiz, "Who Are You in the Room?", that classifies users into roles based on their responses.

Built with: *HTML, CSS*
